

Volunteers Wanted !!!!!

Alabama A&M University High School Senior/NASA Day

Saturday, November 20, 2004

Approximately 60 MSFC volunteers are needed to share information about NASA/MSFC with High School Seniors attending the annual Alabama A&M University High School Senior/NASA Day. The activities for the day start at 7:00 a.m. and continue with the 1:30 p.m. kickoff of the football game between Alabama A&M University Bulldogs and Prairie View A&M University Panthers. This is a great opportunity to highlight Center programs and encourage High School Seniors to pursue studies in Business, Education, Engineering, Math, and Science.

Volunteers will be granted free admission to the game, parking, and a delicious barbeque lunch.

There will be a meeting for the volunteers on Tuesday, October 26, 2004 from 1:30 p.m. until 2:30 p.m. Building 4200 Room G13 to discuss the logistics and any issues that might be of concern.

If you have any questions please contact Efrem J. Hanson via e-mail efrem.j.hanson@nasa.gov or by phone at 544-6340.
