

Safety Recall Notice

Dell AC Adapters Overheating

The recall covers adapters used with some *Dell Latitude, Precision, and Inspiron Notebook Computers* and have the words “DELL” and “P/N 9364U, P/N 7832D, or P/N 4983D” written on the back.

They were included in computers sold between September 1998 & February 2002. They were also sold separately.
